# Waring sees Lions B over the finishing line

## LIONS B are the First Division table tennis champions for this season.

Going into the last round of Doric Insurance League matches all three teams were in with a shout of winning the title.

But Lions B only had to win against Whistlers C to confirm the title and led by Lucas Waring they stormed into a 5-0 lead.

Waring beat Phil Hunkin and Ben Brouard and combined with Martin Sarre to win the doubles.

There was no way back for Whistlers C, for whom Martin Gaudion was playing as reserve.

Hunkin won two games against Sarre and Scott Romeril, but a Sarre win over Gaudion gave Lions B the two points and the championship.

Waring, Sarre and Romeril played in every game this season and Lions B were the only team who did not have to call upon a reserve at any stage.

These deserving winners include rising star Scott Romeril who has completed a very impressive first season in the top flight.

Lions A took the runners-up position on game difference from Whistlers B, both teams finishing up one point behind the winners.

Lions A beat two-man Whistlers A 9-1 and the performance of the night was James Lesbirel's win over Mark Pipet by three sets to one.
