

To All

Guernsey Table Tennis Association Members

As our membership is now well over 200 and increasing, there is a growing need for more efficient communication between members, their individual clubs and the Association committees.

Many members now have access to the Internet and Email facilities and we have already started a collection of email addresses. It would be better if we could make every effort to embrace and use this technology for many reasons but not least:-

- The saving of Association funds for telephone and postage costs
- Effective and fast mass communication

If you also now wish to communicate in this manner and have your own secure email address that can be used to send and receive GTTA communications, please just send a blank email to:-

GTTASecretary@cwgsy.net

Anyone using an alias or unidentifiable email name such as thebestplayer@cwgsy.net should also clearly identify themselves within the email so that details can be validated before it is used.

Please do not provide your employers email address if you are not permitted to use it for personal email.

Thanks

Martin Stacey
General Secretary
